## Guidelines and Instructions 2009

Peter Kiewit  
(1900-1979)

### BACKGROUND

The Peter Kiewit Foundation has awarded scholarships for the past 29 years to help high school graduates throughout Nebraska gain a college education. It was Mr. Kiewit's intent to assist bright, motivated students to earn a college degree but for whom financial need was a significant barrier. Scholarship recipients must pursue their studies at colleges and universities located in Nebraska. The Peter Kiewit Foundation has awarded more than \$48,900,000 in scholarships since 1980.

### ELIGIBILITY

Applicants must meet all of the following eligibility requirements:

- be a high school senior who will graduate from a state-approved Nebraska high school by June 2009
- be a Nebraska resident
- be able to present current ACT or SAT scores
- be ranked in the top 20% (80th percentile) of their high school class following their **junior** year and through the fall term of their **senior** year
- be able to demonstrate financial need

The Peter Kiewit Foundation is an independent philanthropic trust created from the estate of the late Peter Kiewit. It is not connected legally or administratively with the operating companies which also bear Peter Kiewit's name.

## GENERAL INFORMATION

- 50 awards will be presented.
- Each award has an annual value of up to \$7,500 and is renewable for a maximum of four consecutive years of undergraduate study.
- These scholarships may only be used at regionally accredited public or private four year colleges or universities within the State of Nebraska.
- The application process is conducted in two stages. All students must complete the first stage to be considered. The postmark deadline for those applications is Wednesday, January 7, 2009.
- All applications are reviewed by a panel of independent judges who are distinguished educators and Nebraskans from other disciplines.
- If selected as a finalist, applicants will be sent a second set of forms to complete by a stated deadline.
- The 50 students (and alternates) chosen to receive these scholarships will be notified of their selection in late March.

## INSTRUCTIONS

- Complete the 3-page application form.
- The application form requires a listing of extracurricular activities, honors, awards and work history. All responses must be on the form itself. Any attachments will not be considered and will be discarded.
- The Applicant, his/her parent(s), and his/her Guidance Counselor must sign the completed application.
- Complete the essay question (see page 3 of application form).
- Complete the College Funding Estimator. Four copies of the College Funding Estimator Results page and the Student and Parent Information data entry screens on the Estimator site must accompany completed applications. This process analyzes financial data and estimates the amount of funding the Applicant and his/her parents are able to contribute annually to the Applicant's education costs.

Visit [www.educationquest.org](http://www.educationquest.org). Click on the College Funding Estimator tab and select the academic year **2009-2010**. Applicants should use their 2007 tax return and their parents' 2007 tax return. Even though the program asks for 2008 tax information, use the completed 2007 tax return as your source document. 2007 tax returns are used because 2008 documents will not be completed by the application deadline.

To view the Estimator instructions, select the question numbers link or the worksheet links in the program. The Estimator computer program will state the parent and student contributions and the Applicant's Pell funding eligibility, if any. Enter information from the Results page in the appropriate spaces on the first page of the application form. Attach a copy of the Results page and the Student and Parent Information data entry screens behind the application. NOTE: All finalists must provide copies of their parents' and their own **2007** federal tax returns **and W-2 forms** to verify the accuracy of the information from the Estimator program.

- Obtain a copy of Applicant's high school transcript showing class rank and class size at the end of the **junior** year. It must also show current ACT/SAT scores with national percentiles. If the transcript does not include your ACT/SAT scores and national percentiles, you must include a copy of your score as provided by ACT/SAT. NOTE: The transcript does not need to be certified at this initial application stage.
- Four copies of the completed application must be mailed in a flat envelope to the Peter Kiewit Foundation and postmarked no later than Wednesday, January 7, 2009. We encourage you to submit your application as soon as possible to ensure you meet the deadline.
