SEC 79-4, 158. SCHOOL BOARD; BOARD OF EDUCATION; OFFICIAL POLICY RESPECTING PERSONNEL FILES AND STUDENTS RECORDS, RULES AND REGULATIONS; of each school district shall adopt and publish an official policy respecting personnel files and student records, which policy shall not conflict in any manner with rules and regulations of the State Records Administrator adopted pursuant to section 84 -1201 to 84-1220, Reissue Revised Statutes of Nebraska, 1943. (laws 1973)

A cumulative record will be kept for each student in Bancroft-Rosalie Community School which will include such information as: test scores, school marks, health records, work experience, high school activities, and any other information that will be meaningful. I.E.P. records are kept in a separate file.

This information will be available to the counselor and to the teachers so that each may better understand the student. NO information will be provided other school systems, agencies, prospective employers, or institutions of higher learning unless a release form for the same has been signed by the parents or a student (18 years old).

The counselor will supply an official transcript of grades from the permanent record of pupils transferring to another school or seeking admission into college upon written request.

The transcript will be sent directly to the receiving school or college. Pupils who are 18 or have graduated or their parents or guardian may review and challenge the pupils records according to law.

CHECKING IN & OUT WITH THE OFFICE

Please make sure that all students check in and out of the office when arriving late or leaving early from school. Parents must send notes explaining the student's absence or reason for leaving early.

ATTENDANCE

Regular school attendance is necessary in order for your child to make satisfactory progress. In order to account for all children each day, please call us between 7:45 and 8:15 a.m. or send word, via a brother or sister, that your child will not be in school that day. If by 9:00 a.m. we have not received a message from you, we will attempt to contact you. On the day following the absence, the school will need a note from the parent stating specific circumstances of the absence. Parents can call, send an email or fax a note. If a student fails to have a note they will be required to stay after school for 30 minutes that day. If your child needs to be dismissed before the end of the regular school day, parents are requested to call the elementary office or send a written note to school prior to the dismissal.

After five days absence from school during a semester, a letter will be sent home notifying the parents. After the seventh day absent from school during a semester for any reason the student will be assigned to stay after school for fifteen minutes of make-up time for each hour missed from school.

K-6 absences, students will stay in from morning recess the day following an absence to get caught up with missed work. One recess for each day missed.

Example - A student misses eight days of school first semester. Two hours of make-up time will be assigned because 8 hours have been missed. Doctor's excuses will not waive this procedure.

TARDINESS

All students late to school must check in at the office and get an admit slip. Students habitually arriving late will not be allowed to disrupt classes in progress and unexcused absences for that class will result. After the 5th unexcused tardy during the semester the student will be have to stay after school that day for 30 minutes. Excused tardies are Doctor or Dental appointments or for students attending funerals and they must be prearranged. A parent excusing a student to sleep in is not considered an excused tardy. Students coming in late for other reasons will count as an unexcused tardy and after the 5th one during the semester will be required to stay 30 minutes after school that day.

HOMEWORK

Elementary teachers realize that the normal, active child needs to be alone, to think, to relax, and to enjoy himself. Homework, therefore, in the elementary grades will be minimal. Homework will not be of a disciplinary nature, but just reinforce principles learned during the day. Homework assignments reflect a given lesson; provide practice for skills taught, and such that can be shared with the parents as well. Ample time will be given in school for students to complete most homework assignments. Time guidelines for homework when assigned:

Grades 1-2 10-20 minutes Grades 3-4 20-40 minutes Grade 5-6 30-60 minutes

Special situations at any grade level may warrant deviations from this schedule. Remember -

Homework is a joint activity between home and school.

RECESS-OUTDOORS

No outdoor recess is held if it's raining or the cold is excessive. Please dress your child according to the weather.

PARENT-TEACHER CONFERENCES

Regular Parent-Teacher Conferences are held twice each year for students in Pre-school through 6th grade. Special conferences may be arranged by calling the school or by sending a note to your child's teacher. Conferences may not be held when the teacher is responsible for class supervision.

The teacher is the first step in any concern, question, or complaint. The principal will be available to discuss the situation after the parent-teacher conference. The principal will attend any conference at the request of the parent or teacher.

TEACHER QUALIFICATIONS

Parents may request to know the qualifications of their student's teachers. Requests need to be directed to the Administration.

PHONE/ADDRESS CHANGE

The school should be notified of any change of address or home telephone number. If you are uncertain as to whether we have current information, please contact office personnel so we can update as necessary. Emergency situations often arise when this information is vital to the school. Also, please notify us of any change or plans for moving so sufficient time is given for accumulating student records. Written parental permission is needed before students' records can be transferred or requested by schools.

CONDUCT

Student responsibilities include the following:

- 1) To comply with the rules of the classroom and school.
- 2) To pursue the prescribed course of study.
- 3) To be alert and responsible to directions.
- 4) To respect and respond to the authority of teachers and other school personnel.
- 5) To be courteous to fellow students and school personnel and respect the rights and property of others.

With these responsibilities, students have the freedom and encouragement to express their individuality. That freedom cannot intrude upon or endanger the freedom of others, nor can it interfere with our teaching or other students' learning. Disobedience or open defiance of school regulations or authority shall constitute sufficient cause for disciplinary action from temporary suspension of in-school privileges or after school detention to suspension or expulsion from school.

Parents can assist in promoting good behavior by:

- 1) Supporting the school in requiring students to observe all school rules and regulations and helping students to accept responsibility for any willful misbehavior on their part.
- 2) Maintain an active interest in your child's daily work. Make it possible for students to complete assigned homework, particularly by providing suitable conditions for study at home.
- 3) Check both sides of the story before taking action.

REPORT CARDS-GRADING

Report cards are sent home the week following the close of each quarter. The parents should examine the cards and call the school if they have a question. On the occasion of Parent-Teacher Conferences, report cards are usually held until parents come for their conference. Progress reports are sent home halfway through each quarter. The report card will report on the child's achievement and citizenship. The primary purpose of grades is to communicate student achievement to students, parents, schools and others.

Markings:	A - Excels in subject area	P - Pass
	B - Exceeds basic requirements	E - Excellent
	C - Meets basic requirements	S - Satisfactory

HEALTH SERVICES

Students are to report all injuries to the office immediately. A school nurse will give each student an eye, ear, and scoliosis screening every year.

STUDENT INSURANCE

The school itself does not carry accident insurance on students in event of injury. Athletes may purchase insurance made available as a service of the school to help pay the cost of covered football injuries. There will also be insurance offered to the students for school-time, 24-hour accident and 24-hour dental accident plans.

PHYSICAL EXAMINATIONS

REQUIRED FOR: Each student entering: 1. Kindergarten
2. Seventh Grade
3. From Another State Regardless of Grade Level

A student must provide written evidence signed by a qualified physician that the student has had a physical examination within six months prior to the opening of school. The cost of the required physical examination shall be borne by the parent or guardian of each child.

Important! No student in any of the above groups (Kindergarten, Grade Seven, and any student new to the district from another state) will be permitted to enroll in school unless the school is provided with (1) evidence of a physical examination within the past six months, or (2) a parent signed waiver. Nebraska State School Law 79-444 establishes the above requirements as enacted by the legislature of the State of Nebraska.

ACCORDING TO STATE LAW ANY STUDENT WHO DOES NOT COMPLY WITH THE STATE IMMUNIZATION AND PHYSICAL EXAMINATION REQUIREMENTS SHALL NOT BE PERMITTED TO CONTINUE IN SCHOOL

ILLNESS - COMMUNICABLE DISEASES

Keep your child at home and consider calling the doctor if he/she has: nausea, sore throat, diarrhea, skin rash, enlarged glands, earache, inflamed eye, (Pink Eye for at least the first day-student must be on medication for 24 hours before coming to school) discharging ear, extreme paleness, coughing. The school reserves the right to exclude students at times of questionable health problems or conditions. The school may also require a signed physicians statement before allowing the student to return to school. If a student was sent home due to Head Lice they will need to be brought into the office by a parent and checked by school personnel before they will be allowed back into the classroom.

If your child is absent because of illness he/she should bring a note from home. Ill or injured children are not usually kept at school. The parents are contacted when this occurs so that they may come and take the child home.

First aid is administered to the students in the classroom, the office, or by the school nurse. The emergency page, which we have on file for each student, helps us to locate the parents or someone listed on the page in case we cannot locate the parents. In case of an emergency the rescue unit will take the student to the hospital if a parent cannot be reached.

IMMUNIZATION

All students in graded K through 12 must be immunized. Protection against the following diseases is required:

1) Diphtheria, Tetanus and Pertussis (Whooping Cough); 2) Polio; 3) Measles/Rubella;
4) Mumps; 5) Hepatitis B (beginning August 2000) Schools are required to have either an adequate immunization history or a parent signed waiver of immunization from every student. Adequate proof of immunization shall be a written record listing at least the month and year of each immunization.

B-R'S DISCIPLINE PROCEDURES

B-R is committed to move from negative, punitive, reactive approaches to discipline with positive, proactive, and preventive approaches through our development of PBIS (Positive Behavioral Intervention and Support). Our goal is to teach our students the expectations we want them to display and practice on a daily basis. By detailing every expected behavior and teaching students in a positive way, we will provide a common language for everyone in our school, including students, teachers, administration and all classified staff to follow.

CELL PHONES

Students are not allowed to use Cell Phones during class time or during study hall throughout the school day. If a student is caught making a call, texting, have it ring during class, etc...

The phone will be taken away and returned to the student at the end of the period. If this happens multiple times the phone should be turned into the office and the student will have to speak to the administration after school before it is returned to them.

If the students ask staff to use their phones during classtime staff can grant permission to do so depending on the situation.

REFERRAL FORMS (MINOR or MAJOR)

If a student is given a referral form by a teacher or the office they must serve the time on the day it is received after school. Students in after school study hall will not be allowed to use the computers unless they get permission from the after school monitor (computers may only be used for educational purposes). On the third minor referral, a student may be sent to the administration if the minor behavior has developed into a major where further disciplinary action will be determined. Students that have to stay after school will be allowed to call their parents and make arrangements for transportation.

IN-SCHOOL SUSPENSIONS

Students will get their assignments from their teachers before school the day or days of their suspensions.

This in no way shall prevent prosecution by proper authorities.
8. Tobacco; State law prohibits smoking in public buildings except where authorized. There are no authorized places in Bancroft-Rosalie Community Schools for students. It shall be the policy of Bancroft-Rosalie community Schools to ensure that students receive fair treatment consistent with their constitutional right to due process and fundamental fairness with the context of an orderly and effective educational process, prior to being subject to emergencies exclusion, short term or long term suspensions, expulsions, or mandatory reassignments.

Current Nit and Lice Protocol for Bancroft-Rosalie School

- If any student is found to have nits or live lice, they are sent home for treatment.**
- Upon returning to school, after treatment, they are checked for 5 consecutive days, preferably before they go to the classroom for the day. If they are found to still have nits or live lice, they are sent back home.**
- After found to be nit and lice free for five consecutive days, they are checked a week later, and then another week after that.**
- Essentially, the student is followed closely for a total of three weeks from the time they were noted to have nits or lice.**
- Some students who are not nit and lice free for five consecutive days are restarted at day one after they have been sent back home for any treatment of the nits or live lice. So this makes some student s being followed closely for more than three weeks.**
- Parents or Care givers are given information on what lice are, what they look like, what nits are and what they look like. They are given information for treatment of the hair issues. They are also given information on aiding in getting rid of the lice issues in the home. They have the opportunity to see what actual lice and nits look like as the school nurse has some taped to a piece of paper in the nurse office.**
